

```

<!-- replace CompanyLogo by real logo-name. Do not change size &
alignment. Upload image by pressing red link -->
[[Image:CompanyLogo.png|200px|right]]

==Product Name==
<!-- Mandatory topic. -->
<!-- replace CompanyName & ProductName by real names and add URL to
productpage -->
CompanyName [https://www.linktoproductpage.com ProductName]

==Certification Status==
<!-- do not remove comment. Will be done by innovaphone upon document
check -->
<!-- {{Template:Compat_Status_"referral_prod."|certificate=-_serinus_-
_3rd_Party_Product_product_cert.pdf}} -->
<!-- Testing of this product has been finalized 29th February, 2020. -->

==Category==
<!-- Do not change this section and do not remove comments. Will be done
by innovaphone upon document check -->
<!--
{{Category:3rdParty Alarm Server}}
[[Category:Referral Product|{{PAGENAME}}]]
[[Category:3rdParty Alarm Server|{{PAGENAME}}]]
-->

==Vendor==
<!-- Mandatory topic. -->
<!-- Give some introducing words about the vendor itself -->
<!-- Place optional company logo. Don't change logo size. -->
[[Image:CompanyLogo.png|150px]]

==Description==
<!-- Mandatory topic. -->
<!-- Give description about the product, benefits, other information to
mention to understand main product purpose -->
<!-- place optional product logo or functional overview. -->

<!-- Some formattings WikiMedia supports:
==Title2==
===Title3===
'''xxx''' fat text
* - list item
-->

<!-- [[Image:ProductLogo.png]] -->

<!-- some text -->

<!--'''Benefits at a glance:'''-->

<!--
* Bullet-point
* Bullet-point
* Bullet-point
-->

==Functions==
<!-- Mandatory topic. -->

```

```
<!-- Give functional description about the product. Use formattings if
needed -->
```

```
==Use Cases==
```

```
<!-- Optional topic. Delete item if not needed -->
```

```
==Version==
```

```
<!-- Mandatory topic. -->
```

```
<!-- Give used versions for testing of both innovaphone and 3rd-pty
product -->
```

```
<!-- If not present or outdated innovaphone FW is used, no certificate
will be given at all -->
```

```
Product versions used for interop testing:
```

```
<!-- replace 3rd-Pty-Product by real name -->
```

```
* 3rd-Pty-Product Version
```

```
<!-- adjust used innovaphone FW, if applied add further applications
(e.g. TAPI & Versions) -->
```

```
* innovaphone V12r2sr24
```

```
==Configuration==
```

```
<!-- Mandatory topic. -->
```

```
<!-- Describe configuration steps to be done for both innovaphone and
3rd-pty product -->
```

```
<!-- If not present, no certificate will be given at all -->
```

```
<!-- you may either list the config steps by adding text & pictures, or
provide the URL to a PDF-formatted config document. Ideally the document
is hosted by the 3rd-party-supplier itself -->
```

```
<!-- in any case you must be aware of the fact that any questions
concerning configuration issues will be directly forwarded by innovaphone
to you as manufacturer -->
```

```
==Summary==
```

```
<!-- Optional topic. -->
```

```
<!-- Anything to mention which does not fit to above topics. To be
deleted if not needed -->
```

```
==Contact==
```

```
<!-- Mandatory topic. -->
```

```
<!-- Give contact details for potential interests. You may give personal
or general contact data. -->
```
