Questions regarding sales topics:

Besides your innovaphone sales contact person, please forward your queries to:

- sales@innovaphone.com
- inside-sales@innovaphone.com

Questions prior to an installation:

- presales@innovaphone.com

Questions technical problems:

innovaphone provides its certified partners a 3rd level Email support. innovaphone's 3° level support is available during normal office hours from 9.00 to 18.00 (german time).

Certified partners can reach the innovaphone support by sending an Email to support@innovaphone.com. innovaphone's partner will then get a ticket number by return mail in which additional information may be requested.

This Email should include beside the description of the problem the traces and config files as an attachment in the original Email in order to minimize the communication overhead. If necessary, innovaphone Support Team will call the partner back.
