

Technology Partner Certificate

New Voice International AG
Acknowledges the product

innovaphone PBX

by

innovaphone AG
Böblinger Straße 76
D-71065 Sindelfingen

for having successfully passed the joint interoperability tests in the test laboratories of New Voice and the manufacturer.

The New Voice Technology Partner Certification Programme ensures the interoperability of the New Voice MobiCall server with suitable third-party solutions.

For further information please contact New Voice.
